

Montevideo, Uruguay

Global Airport Services

I hereby confirm that Ms Katherine Do Canto was employed in airside assistance and passenger services from December 2017 to June 2019 by Global Airport Services, in the airports of Punta del Este and Carrasco in Uruguay.

Her service was exemplary throughout her employment.

During this time Ms Do Canto undertook both general training courses and specialist training in her areas of expertise which she passed successfully and applied effectively in her day-to-day role.

Ms Do Canto has shown not only consistent dedication to her work but also excellent teamwork and people skills; her personality, positive attitude and collaborative approach mean she is a pleasure to work with, creating a positive working atmosphere and getting excellent results in all areas of her work.

I confirm that this document may be used as a letter of recommendation to any interested parties as evidence of her suitability for employment and her previous work history and am confident she will be a significant asset to any company that chooses to employ her.

The logo for Global Airport Services, featuring a black stylized 'G' with a small airplane icon at the end of its tail, and the text 'GLOBAL' and 'Airport Services' below it.
